

MINUTES OF THE ONLINE MEETING OF 27 JUNE 2024

1) Correction of questionnaires

The partners corrected and adapted the content of the questionnaires following the results of the test surveys.

For each respondent profile, the partners revisited each question word by word.

The latest version is therefore validated by everyone.

These surveys will be conducted online or face-to-face, depending on the choice of each partner.

It was agreed to have a total of 40 responses from each partner:

- 20 response for professionals and volunteers

- 20 responses for target groups (NEETS, young people with disabilities and migrants/refugees)

So, in total we will have 120 responses (40 X 3 partners)

A document presenting the results of the surveys will be produced for each country.

It was agreed that it was preferable to use a reporting template with graphs and to present only the results relevant to the analysis.

Deadline for sharing results on the drive: 7 September

2) Project communication

The first new letters will be sent out late, by mid-July at the latest;

The website will be based on the existing website of one of the partners: in the colours of deba

The site will also be launched in mid-July

3) Half-yearly assessment of the project

the partners will post the following assessments on the drive:

- quality control

- communication evaluation

communication follow-up sheet (excel file)

- Budget monitoring sheet (Excel file)

- a statement of overall monthly expenditure and expenditure by activity batch (from January to June 2024°)

Enrichit les vies, ouvre les esprits.

The next meeting will take place online in mid-September 2024.

Zoom meeting interface showing a man with glasses and a beard wearing a headset. The Zoom toolbar at the bottom includes buttons for 'Participer', 'Chat', 'Partager l'écran', 'Synthèse', 'Enregistrer', 'Réactions', 'Applis', 'Tableaux blancs', 'Notes', and 'Plus'. A red 'Quitter' button is on the right. The status bar at the bottom shows the time as 16:19 on 27/06/2024.

Google Forms questionnaire titled "DIVINEF - Questionnaire for target groups - Diversity and inclusion in non-formal education EN". The form is displayed in a web browser window. The questionnaire content includes the project title, partners (USSAP, Stando LTD, DEBA), a description of the survey, and a question "What is your target group?". The Zoom meeting interface is visible in the background, showing the same man and woman as in the previous screenshot.

Section 1 of 2

DIVINEF - Questionnaire for target groups - Diversity and inclusion in non-formal education EN

Erasmus+ project "DIVINEF: Diversity and inclusion in non-formal education".

Partners: USSAP - Boxing Section (Pessac - France) - Stando LTD (Nicosia - Cyprus) - Aux couleurs du DEBA (Pessac - France)

We are conducting a European survey on the inclusion of young people in difficulty (NEETs), people with disabilities, migrants and refugees.

The results will be used to build an online training course to help professionals and volunteers who work with these groups.

Massive Open Online Courses (MOOCs) are free online courses anyone can join. They offer a flexible way to learn new skills, improve your career, and access quality education.

This training course is built around themes that you can consult à la carte and free of charge. It will be available in September 2025 in French, English and Greek.

Project code: 2023-2-FR01-KA210-ADU-000176516

What is your target group? *

The screenshot displays a Google Drive web interface. The address bar shows the path to a folder named 'WP 2 Communication et...'. The folder is shared with the user and contains four items: 'Photos', 'Project logo', 'french', and 'english'. A video call window is overlaid on the right side of the screen, showing two participants: NAKIB Delila and Stando Ltd. The Windows taskbar is visible at the bottom.
